

Where *Canadian Auto Insurance Rate Regulators* Converge!

SEPT 20 – 23, 2015 CARR CONFERENCE

Annual Fall Conference

Join CARR in taking rate regulation to the next level at this year's Fall Conference. We will have an academics view on rate regulation, matching academic research with regulatory reality and a glimpse of the future – looking at automated cars and their usage in Canada's environment. There will be discussions on regulatory issues for small, low data rate groups as well as other challenges jurisdictions across Canada face.

We look forward to seeing you at this year's Canadian Auto Insurance Rate Regulators Fall Conference!
